**Management's Responsibility for the Consolidated Financial Statements**

The accompanying consolidated financial statements of the Simcoe County District School Board are the responsibility of the Board management and have been prepared in accordance with the basis of accounting described in the summary of significant accounting policies attached to the consolidated financial statements.

The preparation of consolidated financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Board management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

The Board meets with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by BDO Canada LLP, independent external auditors appointed by the Board. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the Board's consolidated financial statements.

## Independent Auditor's Report

---

To the Board of Trustees of the Simcoe County District School Board

We have audited the accompanying consolidated financial statements of the Simcoe County District School Board, which comprise the consolidated statement of financial position as at August 31, 2015, the consolidated statements of operations, changes in net debt and cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements in accordance with the basis of accounting described in the summary of significant accounting policies attached to the consolidated financial statements, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the consolidated financial statements of the Simcoe County District School Board as at and for the year ended August 31, 2015 are prepared, in all material respects, in accordance with the basis of accounting described in the summary of significant accounting policies attached to the consolidated financial statements.

### Emphasis of Matter

Without modifying our opinion, we draw attention to the summary of significant accounting policies attached to the consolidated financial statements which describes the basis of accounting used in the preparation of these consolidated financial statements and the significant differences between such basis of accounting and Canadian public sector accounting standards.

## Simcoe County District School Board Summary of Significant Accounting Policies

For the year ended August 31, 2015

---

The consolidated financial statements are prepared by management in accordance with the basis of accounting described below.

### (a) Basis of Accounting

The consolidated financial statements have been prepared in accordance with the Financial Administration Act supplemented by Ontario Ministry of Education memorandum 2004:B2 and Ontario Regulation 395/11 of the Financial Administration Act.

The Financial Administrative Act requires that the consolidated financial statements be prepared in accordance with the accounting principles determined by the relevant Ministry of the Province of Ontario. A directive was provided by the Ontario Ministry of Education within memorandum 2004:B2 requiring school boards to adopt Canadian public sector accounting standards commencing with their year ended August 31, 2004 and that changes may be required to the application of these standards as a result of regulation.

In 2011, the government passed Ontario Regulation 395/11 of the Financial Administration Act. The Regulation requires that contributions received or receivable for the acquisition or development of depreciable tangible capital assets and contributions of depreciable tangible capital assets for use in providing services, be recorded as deferred capital contributions and be recognized as revenue in the statement of operations over the periods during which the asset is used to provide services at the same rate that amortization is recognized in respect of the related asset. The regulation further requires that if the net book value of the depreciable tangible capital asset is reduced for any reason other than depreciation, a proportionate reduction of the deferred capital contribution along with a proportionate increase in the revenue, be recognized. For Ontario school boards, these contributions include government transfers, externally restricted contributions and, historically, property tax revenue.

The accounting policy requirements under Regulation 395/11 are significantly different from the requirements of Canadian public sector accounting standards which require that:

- government transfers, which do not contain a stipulation that creates a liability, be recognized as revenue by the recipient when approved by the transferor and the eligibility criteria have been met in accordance with public sector accounting standard PS3410;
- externally restricted contributions be recognized as revenue in the period in which the resources are used for the purpose or purposes specified in accordance with public sector accounting standard PS3100; and
- property taxation revenue be reported as revenue when received or receivable in accordance with public sector accounting standard PS3510.

As a result, revenue recognized in the statement of operations and certain related deferred revenues and deferred capital contributions would be recorded differently under Canadian public sector accounting standards.

---

For the year ended August 31, 2015

---

### (b) Reporting Entity

The consolidated financial statements reflect the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all organizations accountable for the administration of their financial affairs and resources to the Board and which are controlled by the Board.

School generated funds, which include the assets, liabilities, revenues and expenses of various organizations that exist at the school level and which are controlled by the Board are reflected in the consolidated financial statements.

The assets, liabilities, revenues and expenses of the Simcoe County Student Transportation Consortium are reflected in these consolidated financial statements.

Inter-departmental and inter-entity transactions and balances between these organizations are eliminated on consolidation.

### (c) Trust Funds

Trust funds and their related operations administered by the Board are not included in the consolidated financial statements as they are not controlled by the Board.

### (d) Cash and Cash Equivalents

Cash and cash equivalents are comprised of cash on hand, demand deposits and line of credit.

### (e) Deferred Revenue

Certain revenue amounts are received pursuant to legislation, regulation or agreement and may only be used in conduct of certain programs or in the delivery of specific services and transactions. These amounts are recognized as revenue in the fiscal year the related expenses are incurred or services performed.

### (f) Deferred Capital Contributions

Contributions received or receivable for the purpose of acquiring or developing a depreciable tangible capital asset for use in providing services, or any contributions in the form of depreciable tangible capital assets received or receivable for use in providing services, shall be recognized as deferred capital contributions as defined in Ontario Regulation 395/11 of the Financial Administration Act. These amounts are recognized as revenue at the same rate as the related tangible capital asset is amortized. The following items fall under this category:

- Government transfers received or receivable for capital purpose
- Other restricted contributions received or receivable for capital purpose
- Property taxation revenues which were historically used to fund capital assets

---

## Simcoe County District School Board Summary of Significant Accounting Policies

For the year ended August 31, 2015

---

### (g) Retirement and Other Employee Future Benefits

The Board provides defined retirement and other future benefits to specified employee groups. These benefits include pension, life insurance, dental, health care, retirement gratuity, sick leave, workplace insurance benefits and long-term disability benefits. The Board has adopted the following policies with respect to accounting for these employee benefits:

- (i) The costs of self-insured retirement and other employee future benefit plans are actuarially determined using management's best estimate of salary escalation, accumulated sick days at retirement, insurance and health care cost trends, disability recovery rates, long-term inflation rates and discount rates. The cost of retirement gratuities are actuarially determined using the employee's salary, banked sick days and years of service as at August 31, 2012 and management's best estimate of discount rates. Any actuarial gains and losses arising from changes to the discount rate are amortized over the expected average remaining service life of the employee group.

For self-insured retirement and other employee future benefits that vest or accumulate over the periods of service provided by employees, such as life insurance and health care benefits for retirees, the cost is actuarially determined using the projected benefits method prorated on service. Under this method, the benefit costs are recognized over the expected average service life of the employee group. Any actuarial gains and losses related to the past service of employees are amortized over the expected average remaining service life of the employee group.

For those self-insured benefit obligations that arise from specific events that occur from time to time, such as obligations for workplace insurance benefits and long-term disability, life insurance and health care benefits for those on disability leave, the cost is recognized immediately in the period the events occur. Any actuarial gains and losses that are related to benefits are recognized immediately in the period they arise.

- (ii) The costs of multi-employer defined pension plan benefits, such as the Ontario Municipal Employees Retirement System pensions, are the employer's contributions due to the plan in the period.
- (iii) The costs of insured benefits are the employer's portion of insurance premiums owed for coverage of employees during the period.

---

## Simcoe County District School Board Summary of Significant Accounting Policies

For the year ended August 31, 2015

---

### (h) Tangible Capital Assets

Tangible capital assets are recorded at historical cost less accumulated amortization. Historical cost includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset, as well as interest related to financing during construction. When historical cost records were not available, other methods were used to estimate the costs and accumulated amortization.

Tangible capital assets, except land, are amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Estimated Useful Life in Years
Land improvements with finite lives	15
Buildings and building improvements	40
Portable structures	20
Furniture, equipment and computer equipment	5 - 15
Leasehold improvements	Over the lease term

Assets under construction and assets that relate to pre-acquisition and pre-construction costs are not amortized until the asset is available for productive use.

Land permanently removed from service and held for resale is recorded at the lower of cost and estimated net realizable value. Cost includes amounts for improvements to prepare the land for sale or servicing. Buildings permanently removed from service and held for resale cease to be amortized and are recorded at the lower of carrying value and estimated net realizable value. Tangible capital assets which meet the criteria for financial assets are reclassified as "assets held for sale" on the consolidated statement of financial position.

### (i) Government Transfers

Government transfers, which include legislative grants, are recognized in the consolidated financial statements in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met and reasonable estimates of the amount can be made.

Government transfers for capital that meet the definition of a liability are referred to as deferred capital contributions (DCC). Amounts are recognized into revenue as the liability is extinguished over the useful life of the asset.

### (j) Investment Income

Investment income is reported as revenue in the period earned.

When required by the funding government or related Act, investment income earned on externally restricted funds such as pupil accommodation, education development charges and special education forms part of the respective deferred revenue balances.

---

## Simcoe County District School Board Summary of Significant Accounting Policies

For the year ended August 31, 2015

---

**(k) Long-term Debt**

Long-term debt is recorded net of related sinking fund asset balances.

**(l) Budget Figures**

Budget figures have been provided for comparison purposes and have been derived from the budget approved by the Trustees. The budget approved by the Trustees is developed in accordance with the provincially mandated funding model for school boards and is used to manage program spending within the guidelines of the funding model. Given differences between the funding model and the basis of accounting used by the Board in the preparation of the consolidated financial statements, the budget figures presented have been adjusted to conform with this basis of accounting as it is used to prepare the consolidated financial statements.

**(m) Use of Estimates**

The preparation of consolidated financial statements in conformity with the basis of accounting described in (a) above requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the year. These estimates and assumptions are based on management's historical experience, best knowledge of current events and actions the Board may undertake in the future. The principal estimates used in the preparation of these consolidated financial statements are the determination of the liability for employee future benefits and the estimated useful life of tangible capital assets. Actual results could differ from management's best estimates as additional information becomes available in the future.

**(n) Property Tax Revenue**

Under Public Sector Accounting Standards, the entity that determines and sets the tax levy records the revenue in the financial statements, which in the case of the Board, is the Province of Ontario. As a result, property tax revenue received from the municipalities is recorded as part of Provincial Legislative Grants.

---

---

**Simcoe County District School Board**  
**Notes to the Consolidated Financial Statements**  
(tabular amounts in thousands of dollars)

For the year ended August 31, 2015

---

**1. Change in Accounting Policies**

The Board has implemented Public Sector Accounting Board ("PSAB") Section 3260 Liability for Contaminated Sites. Section 3260 requires governments to record a liability in their financial statements if they have a contaminated site that meets the requirements set out in the standard. The standard defines contamination as the introduction into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The standard generally applies to sites that are not in productive use. Sites that are in productive use are only considered contaminated if there was an unexpected event that resulted in contamination. This change has been applied retroactively without the restatement of prior periods.

The adoption of this standard did not have an impact on the Board's consolidated financial statements.

---

**2. Accounts Receivable - Government of Ontario**

The Province of Ontario replaced variable capital funding with a one-time debt support grant in 2009-2010. The Simcoe County District School Board received a one-time grant that recognizes capital debt as of August 31, 2010 that is supported by the existing capital programs. The Board receives this grant in cash over the remaining term of the existing capital debt instruments. The Board may also receive yearly capital grants to support capital programs which would be reflected in this account receivable.

The Board has an account receivable from the Province of Ontario of \$223,375,872 as at August 31, 2015 (2014 - \$227,104,665) with respect to capital grants.

---

**3. Temporary Borrowing**

The Board has a line of credit available to the maximum of \$35,000,000 to address operating requirements and to bridge capital expenditures.

Interest on the line of credit is the bank's prime lending rate less 0.35%. The line of credit is due on demand and is secured by a current Borrowing By-law. The amount drawn on the line of credit as at August 31, 2015 was \$3,755,932 (2014 - \$NIL). This amount has been included in cash and cash equivalents on the consolidated statement of financial position.

The agreement covering the line of credit sets out the following covenant to be maintained by the Board:

- (i) aggregate borrowings for current expenditures and sums required to meet debt charges in a fiscal year not to exceed the unreceived balance of estimated current year revenues.

The Board has met this requirement as at August 31, 2015.

---

**Simcoe County District School Board**  
**Notes to the Consolidated Financial Statements**  
(tabular amounts in thousands of dollars)

For the year ended August 31, 2015

**4. Deferred Revenue**

Revenues received and that have been set aside for specific purposes by legislation, regulation or agreement are included in deferred revenue and reported on the Consolidated Statement of Financial Position.

Deferred revenue set aside for specific purposes by legislation, regulation or agreement as at August 31, 2015 is comprised of:

	Balance as at August 31, 2014	Externally Restricted Revenue and Investment Income	Transfer to Deferred Capital Contributions	Revenue Recognized in the Period	Balance as at August 31, 2015
Legislative grants - operating	\$ 2,483	\$ 71,279	\$ -	\$ (72,231)	\$ 1,531
Legislative grants - capital	3,341	41,567	(16,154)	(24,502)	4,252

Education charges	270	4,946	-	(5,216)	-
Other	997	1,545	-	(1,438)	1,104
	<b>\$ 10,850</b>	<b>\$ 124,198</b>	<b>\$ (16,308)</b>	<b>\$ (107,104)</b>	<b>\$ 11,636</b>

**5. Deferred Capital Contributions**

Deferred capital contributions include grants and contributions received that are used for the acquisition of tangible capital assets in accordance with regulation 395/11 that have been expended by the end of the year. The contributions are amortized into revenue over the life of the asset acquired.

	2015	2014
Balance, beginning of year	\$ 462,559	\$ 453,736
Additions to deferred capital contributions	44,032	34,106

6. Retirement and Other Employee Future Benefits - continued

(c) Retirement Benefits

(i) Ontario Teacher's Pension Plan

Teachers and related employee groups are eligible to be members of the Ontario Teacher's Pension Plan. Employer contributions for these employees are provided directly by the Province of Ontario. The pension costs and obligations related to this plan are a direct responsibility of the Province. Accordingly, no costs or liabilities related to this plan are included in the Board's consolidated financial statements.

(ii) Ontario Municipal Employees Retirement System

All non-teaching employees of the Board are eligible to be members of the Ontario Municipal Employees Retirement System (OMERS), a multi-employer pension plan. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. The Administration Corporation Board of Directors, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the assets and administration of benefits. OMERS provides pension services to more than 451,115 active and retired members and approximately 974 employers.

Each year an independent actuary determines the funding status of the OMERS Primary Pension Plan (the Plan) by comparing the actuarial value of invested assets to the estimated present value of all pension benefits that members have earned to date. The most recent actuarial valuation of the Plan was conducted at December 31, 2014. The results of this valuation disclosed total actuarial liabilities of \$76.924 billion in respect of benefits accrued for service with actuarial assets at that date of \$69.846 billion indicating an actuarial deficit of \$7.078 billion. Because OMERS is a multi-employer plan, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organization and their employees. As a result, the Board does not recognize any share of the OMERS pension surplus or deficit. During the year ended August 31, 2015, the Board contributed \$6,460,364 (2014 - \$6,223,349) to the plan.

(iii) Retirement Gratuities

The Board provides retirement gratuities to certain groups of employees hired prior to specified dates. The Board provides these benefits through an unfunded defined benefit plan. The benefit costs and liabilities related to this plan are included in the Board's consolidated financial statements. The amount of the gratuities payable to eligible employees at retirement is based on their salary, accumulated sick days, and years of service at August 31, 2012.

During the year ended August 31, 2015, the Board contributed \$6,169,111 (2014 - \$4,898,750) related to retirement gratuities.

(tabular amounts in thousands of dollars)

**For the year ended August 31, 2015**

---

**6. Retirement and Other Employee Future Benefits - continued**

(iv) Retirement Life Insurance and Health Care Benefits

The Board continues to provide life insurance, dental and health care benefits to certain employee groups after retirement until the members reach 65 years of age. The premiums are based on the Board experience and retirees' premiums are subsidized by the Board. The benefit costs and liabilities related to the plan are provided through an unfunded defined benefit plan and are included in the Board's consolidated financial statements. Effective September 1, 2013, employees retiring on or after this date, will no longer qualify for board subsidized premiums or contributions.

During the year ended August 31, 2015, the Board contributed \$113,799 (2014 - \$107,425) related to these benefits.

**(d) Other Employee Future Benefits**

(i) Sick Leave Benefits

During the year ended August 31, 2015, the Board contributed \$113,839 (2014 - \$158,210) related to sick leave benefits.

Sick Leave Top-Up Benefits

A maximum of 11 unused sick leave days from the current year may be carried forward into the following year only, to be used to top-up salary for illnesses paid through the short-term leave and disability plan in that year. The benefit costs expensed in the financial statements are \$80,994 (2014 - \$161,256).

(ii) Long-term Disability, Life Insurance and Health Care Benefits

The Board provides life insurance, dental and health care benefits to employees on long-term disability leave for a period of two years after the date of disability. The insurance carrier waives the life insurance premium for employees on long-term disability, however, the Board is responsible for the payment of the costs of health care benefits under this plan. The Board provides these through an unfunded defined benefit plan. The costs of salary compensation paid to employees on long-term disability are fully insured and not included in this plan.

During the year ended August 31, 2015, the Board contributed \$86,961 (2014 - \$109,164) related to these benefits.

**Notes to the Consolidated Financial Statements**  
(tabular amounts in thousands of dollars)

For the year ended August 31, 2015

---

**6. Retirement and Other Employee Future Benefits - continued**

The accrued benefit obligations as at August 31, 2015 for the employee future benefit plans detailed above in paragraphs (c)(iii), (c)(iv), (d)(i), and (d)(ii) are based on actuarial valuations for accounting purposes as at August 31, 2013. These actuarial valuations were based on assumptions about future events and based on updated average daily salary and banked sick days at August 31, 2015. The economic assumptions used in these valuations are the Board's best estimates of expected rates of:

	2015	2014
Inflation	1.50 %	2.00 %
Wage and salary escalation	NIL %	NIL %
Health care cost escalation	8.50 %	8.75 %
Dental cost escalation	4.50 %	4.75 %
Discount rate on accrued benefit obligations	2.45 %	2.85 %

The Board has restricted a portion of its accumulated surplus for certain of these employee future benefits in the amount of \$56,330,687 as at August 31, 2015 (2014 - \$61,715,741).

**(iii) Workplace Safety and Insurance Board Obligations**

The Board is a Schedule 2 employer under the Workplace Safety and Insurance Act and, as such, assumes responsibility for the payment of all claims to its injured workers under the Act. The Board does not fund these obligations in advance of payments made under the Act. The benefit costs and liabilities related to this plan are included in the Board's consolidated financial statements. School boards are required to provide salary top-up, to a maximum of 4 1/2 years, for employees receiving payments from the Workplace Safety and Insurance Board, where the collective agreement negotiated prior to 2012 included such a provision.

During the year ended August 31, 2015, the Board contributed \$780,488 (2014 - \$683,076) related to Workplace Safety and Insurance Board obligations.

The Workplace Safety and Insurance Board obligations for employee future benefit plans as at August 31, 2015 are based on actuarial valuations for accounting purposes as at August 31, 2015. These actuarial valuations were based on assumptions about future events. The economic assumptions used in these valuations are the Board's best estimates of expected rates of:

	2015	2014
Inflation	2.00 %	2.00 %
Insurance and health care cost escalation	4.00 %	4.00 %
Discount on accrued benefit obligations	2.45 %	2.85 %

**8. Tangible Capital Assets**

a) Assets under construction

Assets under construction having a value of \$28,697,206 (2014 - \$4,059,275) have not been amortized. Amortization of these assets will commence when the asset is put into service.

b) Write-down of Tangible Capital Assets

There were no write-downs of tangible capital assets during the year or in the previous year.

c) Asset inventories for resale (assets permanently removed from service)

The Board has identified \$5,265,218 (2014 - \$1,837,099) of building properties that qualify as "assets permanently removed from service". \$5 (2014 - \$3) related to buildings has been included in the net book value ending balance as at August 31, 2015.

**10. Budget Data**

The unaudited budget data presented in these consolidated financial statements is based upon the 2015 budgets approved by the Board on May 28, 2014. The chart below reconciles the approved budget to the budget figures reported in the Consolidated Statement of Operations. Where amounts were not budgeted for, the actual amounts for 2015 were used in order to adjust the budget numbers to reflect the same basis of accounting as that used to report the actual results.

As boards only budget the Consolidated Statement of Operations, the budget figures in the Consolidated Statement of Changes in Net Debt have not been provided.

	<u>2015</u>

**12. Trust Funds**

Trust funds administered by the Board amounting to \$4,938,476 (2014 - \$4,793,069) have not been included in the consolidated statement of financial position nor have their operations been included in the consolidated statement of operations.

---

**Simcoe County District School Board**  
**Notes to the Consolidated Financial Statements**  
(tabular amounts in thousands of dollars)

For the year ended August 31, 2015

**13. Partnership in the Simcoe County Student Transportation Consortium**

In 2000, the Board entered into an agreement with the Simcoe Muskoka Catholic District School Board (SMCDSB) and formed the Simcoe County Student Transportation Consortium (SCSTC) to provide common administration of student transportation in the County. The agreement was executed in an effort to increase delivery efficiency and cost effectiveness of student transportation for each of the Boards. Under the agreement, decisions related to the financial and operating activities of the SCSTC are shared. No partner is in a position to exercise unilateral control.

Effective September 1, 2011, the accounting for the operations of the SCSTC has been transferred to the incorporated entity owned equally by the Board and SMCDSB.

This entity is proportionately consolidated in the Board's consolidated financial statements whereby the Board's pro rata share of assets, liabilities, revenues and expenses of the SCSTC are included in the Board's consolidated financial statements. Inter-entity transactions and balances have been eliminated on consolidation.

The following provides condensed financial information:

	2015 Total	2015 SCDSB Portion	2014 Total	2014 SCDSB Portion
<b>Financial Position</b>				
Financial assets	\$ 2,591	\$ 1,555	\$ 2,327	\$ 1,396
Liabilities	(1,560)	(936)	(1,397)	(641)

**14. Ontario School Board Insurance Exchange (OSBIE)**

The Board is a member of the Ontario School Board Insurance Exchange (OSBIE), a reciprocal insurance company licensed under the Insurance Act. OSBIE insures general public liability, property damage and certain other risks. Liability insurance is available to a maximum of \$24,000,000 per occurrence.

The ultimate premiums over a five year period are based on the reciprocal's and the Board's actual claims experience. Periodically, the Board may receive a refund or be asked to pay an additional premium based on its pro rata share of claims experience. The current five year term expires December 31, 2016.

---

**15. Repayment of "55 School Board Trust" Funding**

On June 1, 2003, the Board received \$27,129,972 from the "55 School Board Trust" for its capital related debt eligible for provincial funding support pursuant to a 30 year agreement it entered into with the trust. The "55 School Board Trust" was created to refinance the outstanding not permanently financed (NPF) debt of participating boards who are beneficiaries of the trust. Under the terms of the agreement, the "55 School Board Trust" repaid the Board's debt in consideration for the assignment by the Board to the trust of future provincial grants payable to the Board in respect of the NPF debt.

As a result of the above agreement, the liability in respect of the NPF debt is no longer reflected in the Board's consolidated statement of financial position and the flow-through of \$2,021,201 (2014 - \$2,021,201) in respect of the above agreement is not recorded in these consolidated financial statements.

---

**16. Contingent Liabilities**

- a) During the normal course of operations, various proceedings and claims are filed against the Board. The Board reviews the validity of these claims and proceedings and management believes any settlement would be adequately covered by its insurance policies and would not have a material effect on the consolidated financial position or future consolidated results of operations of the Board. Accordingly, no provision has been made in these consolidated financial statements for any liability that may result. Any losses arising from these actions will be recorded in the year that the related litigation is settled.
  
  - b) The Board had letters of credit outstanding with the bank as at August 31, 2015 of \$2,474,727 (2014 - \$2,273,543), which were required from the municipalities for security on some of the construction projects.
-

---

**Simcoe County District School Board**  
**Notes to the Consolidated Financial Statements**  
(tabular amounts in thousands of dollars)

For the year ended August 31, 2015

---

**17. Contractual Obligations**

- a) The Board has ongoing commitments under operating leases for premises rent and maintenance vehicles.

The sum of \$6,440,719 is payable with respect to these operating leases as follows:

2016	\$	1,740
2017		1,582
2018		1,289
2019		1,042
2020		321
Thereafter		467
		<hr/>
	\$	6,441

- b) During the year the Board had work performed on several major projects related to the construction and upgrading of certain permanent facilities under the terms of various contracts. Approximately \$31,576,583 related to these contracts has not been expended as at August 31, 2015 (2014 - \$34,389,459).
- 

**18. Subsequent Events**

Subsequent to August 31, 2015, the Ontario Secondary School Teachers' Federation (OSSTF) ratified agreements at the central level which include a voluntary retirement gratuity early payout provision. This provision may have a future impact on the board's employee future benefit liability. There is no impact to the 2014-15 fiscal year. To be effective, the collective agreements must be ratified at both the central and local level. At the reporting date of these consolidated financial statements, local ratification has not occurred for the OSSTF.

The voluntary retirement gratuity early payout provision provides OSSTF members the option of receiving a discounted frozen retirement gratuity benefit payment on August 31, 2016. The voluntary retirement gratuity early payout provision may result in payouts occurring earlier than anticipated and generally at a discount to August 31, 2015 financial statement carrying values. As a result, the reduction in the liability for those members who take the voluntary retirement gratuity early payout option will be accompanied by actuarial gains or losses in the Board's 2015-16 year financial statements. At this time, the change in the liability cannot be estimated since members of the OSSTF have until June 30, 2016 to declare their participation in the voluntary retirement gratuity early payout option.

---
